

2017-18 NCAS Golf Program

Dear Athlete,

Thank you for your interest in the 2017-18 NCAS Golf Program. The North Coast Academy of Sport (NCAS) Golf Program is one of eleven Regional Academies of Sport in New South Wales that provide a program for emerging elite junior golfers' across NSW. The NCAS golf program is proudly supported by Jack Newton Junior Golf (JNJG) and the Bonville Golf Resort.

About the Academy

Established in 1989, the North Coast Academy of Sport aims to assist young athletes from the region to achieve sporting excellence. The Academy is a non-profit organisation covering a NSW coastal region from Laurieton to Tweed Heads. NCAS works closely with the relevant state and regional sporting associations.

Program Overview

The NCAS Golf Program has the specific objective of identifying talented junior golfers and providing them with a level of coaching and ancillary athlete education that will assist them in taking the next step in the sport of golf. The program is designed to expose golfers to skills assessment and development designed by JNJG, new challenges and opportunities, and to complement any lessons / training you are receiving or have received.

Athletes will receive a sports education component with NCAS's Regional Athlete & Coach Education Program. The RACE Program will deliver modules in the following areas: Sports Psychology, Sports Physiology, Sports Nutrition, Drugs in Sport, and Core Strength & Conditioning. This program is delivered over an entire weekend.

The golf program is expected to run from December 2017 until May/June 2018 with an approx. athlete fee of \$300, dependant on numbers.

The NCAS Golf Program Curriculum will be delivered by the Bonville Golf Resort's PGA Professional, Richie Gallichan. As well as being the head Teaching Professional at Bonville, Richie is a current Australasian PGA Tour player and has previously played on the Asian Tour, as well as European and Web.com Tour events. As an amateur Richie was a member of the NSW and Australian Institute of Sport, and brings tournament experience and a modern approach to coaching. All athletes will be coached using Trackman and video technology. The program will be Camps based with a minimum of 30 coaching contact hours. It is envisaged that 4 Camps will be conducted over the course of the program at Bonville Golf Resort, and complimented by tournament tours.

It is envisaged that the athlete program levy will be in the vicinity of \$300.00. This fee covers camp costs and may not necessarily cover all tour expenses; therefore attendance at some events may incur further charges.

One Final Thought "Nothing Ventured, Nothing Gained"

NCAS and JNJG are very excited and committed to this exciting program, especially in regional areas such as the North Coast NSW.

On behalf of JNJG and the NCAS, I extend my thanks to the athletes and their families who apply for a position in the program in the hope of gaining a new and rewarding experience.
