- 4.2. This person must not be a participant in any Individual Match. This person is not permitted to provide advice on the line of putt. The penalty for a breach is a loss of hole.
- 4.3. Caddies are not permitted.

For example, should a team field an ineligible player at position No. 3, the Individual Matches at 3,4 5 and 6 will be forfeited to the opposing Club.

6. FORMAT OF PLAY

- 6.1. All Contests and Individual Matches will be played under the Rules of Golf, the Local Rules in operation at the Host Club and in accordance with these Conditions.
- 6.2. The State Junior Pennant is governed by the JNJG Match Committee.

- 6.7. Individual Matches are to be played from the tee markers as directed by the Host Club, and should be in Members competition of the day. (see exceptions in 6.9 below)

6.8. In the handicap positions (3,4,5,6) when a girl is playing against a boy, the girls handicap is adjusted using the formula: Girls Daily handicap = Calculated Daily handicap + (Womens Scr rating-Mens Scr rating). For instance, if a girls handicap is 20, the Womens Course Scr is 74 and the Mens Scr is 70, the calculation is $20 + (74-70) = 24$.

~~6.8.1. There is no need to adjust handicaps when a girl is playing against another girl.~~ **DELETED**

6.8.2. The girls handicap is adjusted before team playing order is established

6.8.3. The par for each hole is irrelevant following this adjustment.

6.8.4. There will be NO adjustment to tee positions for the handicap match play positions.

6.9. In the scratch positions (1,2) when a girl is playing against a boy, the girls play off the Womens competition tees of the day and the boys play off the Mens competition tees of the day.

10. ORDER OF PLAY

10.1. The playing position of each player shall be in the order of whole number GA handicaps with No. 6 player having the highest handicap and No. 1 player the lowest. The player's current daily handicap (after adjustment to the slope rating of the course being played) will be used. The girls handicaps are adjusted to the par of the course (see 6.8) first, then any adjustment relating to maximum handicap (see 5.3) is applied, then players are put in handicap order from 1 (lowest) to 6 (highest).

If individual Matches are played in twos, teams will hit-off in order with No. 6 players hitting off first, then the No. 5 players, etc

Penalty – incorrect team order

- 10.4. Once play has commenced, the penalty for any player playing in an incorrect team position will be as follows. The player competing out of order in a Contest will forfeit the specific Individual Match to the opposing Club. In addition, all subsequent Individual Matches whose team position is affected by the player being in an incorrect team position will be forfeited to the opposing Club. For example, should a team field a player at position No. 3 out of position then the Individual Matches at 3,4,5 and 6 will be forfeited to the opposing Club.

14. SUSPENSION AND POSTPONEMENT OF PLAY

- 14.1. **Every effort should be made to play the Contest on the scheduled day and time.** If it is necessary to delay the commencement of play or suspend play because of weather conditions, play should not be suspended for the day until such time as it would not be possible for the last match to be concluded on that day. The decision on this matter rests with the responsible designated Match Committee of the Host Club(s) for Preliminary Rounds and with the JNJG Match Committee member(s) during any Finals.
- 14.2. Course conditions, remaining time available and of course player safety should all be taken into account when considering whether to continue, suspend or cancel play for the day.
- 14.3. If resumption of play is not possible on the designated day, the matter will be referred to the JNJG Match Committee that will determine the action to be taken. - (a) Accidental ringing of phone – warning for 1st offence. For a second offence – loss of hole
 - (b) Deliberate act causing distraction – loss of match
- 17.2. A mobile phone may be used as a distance measuring device if it conforms with condition 13.1, AND the phone communication facility is turned off.

Note: The relevant Match Committee should refer to Decision 33-7/8 “Meaning of Serious Breach of Etiquette” on page 504 of the R&A Decisions on the Rules of Golf 2008-2011 for further guidance in determining whether any penalty of disqualification should be applied under 22.2 (b) above.

21. PROTESTS

- 21.1. Within two (2) days after each match, the protesting Club must notify JNJG Match Committee, **in writing (JNJG PO Box A138, Arncliffe NSW 2205) OR via email to greg@jnlg.com.au** of any protest or matter which is considered in breach of the Conditions. Such written notification will be deemed to be a protest and must be made by the Club Captain or his authorised representative.
- 21.2. The Club lodging the protest MUST also provide a copy of the protest to the Host Club where the Contest was played and to the opposing Team’s Club Captain on the same day it is lodged with JNJG.

- 21.3. JNJG Match Committee may contact the Club(s) concerned seeking a statement of facts to be supplied by a fixed date. The matter will then be considered and dealt with by the JNJG Match Committee at its discretion. The JNJG Match Committee may take further evidence as required.

23. MISCELLANEOUS PROVISIONS

Results and Ladders

- 23.1. All results, ladders and feature articles on State Junior Pennant can be found on **JNJG website www.jnjg.com.au**

Equipment

- 23.2. It is recommended that Team Managers check with host Clubs prior to the Contest and enquire whether a condition requiring buggies to be equipped with wide wheels or a restriction relating to metal spikes in golf shoes applies.

Sponsor's Logos

- 23.3. A Sponsor's Logo is acceptable provided it appears only once on each piece of the player's clothing. The logo must not exceed a perimeter measurement of 220 mm (this does not include the Club logo)

24. HOST CLUB RESPONSIBILITIES

When hosting a pennant competition, Clubs should program the member's competition on the day to be a Par or Stableford event to promote minimal round times.

Buffer Zones

For play in fours there will be no requirement for a buffer zone. For play in twos Clubs are required to provide a 30 minute buffer zone. Clubs are requested to ensure that Contests hit off on time and are not held up by the groups in front and thus an extended buffer zone may be employed to ensure that this occurs, depending upon the type of event being played in front of the Contests.

Penalty: As determined by the JNJG Match Committee.

Course presentation

It is expected that each Club involved in the Junior Pennant will present its course in a condition of the high standard that the Junior Pennant deserves.

The course set-up should be no harder than that used for club medal day competition.

The Golf Australia guidelines regarding hole positions should be strongly adhered to for all Junior Pennant contests, particularly on days of inclement weather. The guidelines provide the following advice:

- The hole should be positioned at least four metres from any edge of the green. If a bunker is close to the edge, or if the ground slopes away from the edge, the distance should be greater.
- An area of two or three feet around the hole should be as level as possible. Effort should be made to ensure holes are not positioned within three metres of a very severe slope or ridge or of a recently cut hole.
- Consider the condition of nearby turf, especially taking care to avoid old plug holes.
- Ensure there is a balanced selection of holes for the entire course with respect to left, right, central, front and back positions.
- **Where the par of the hole is different for men and women, and the adjustment of tee positions (condition 6.9) is necessary, it is the responsibility of the host club to put out the additional tee markers and they need to be a different colour to the Men and Women's markers so there is no confusion. See Appendix 4.**

Match Committee

It is the responsibility of the Host Club(s) to see that at least one or preferably two members of their Committee (constituting the Match Committee for the day unless otherwise stated) are available during play, to ensure that the Conditions are adhered to, and to adjudicate on any queries that may be raised. A participant (player, caddie or manager) cannot be a member of this Match Committee.

The Match Committee is responsible for:

- Ensuring that matches commence on time and remain on time
- Monitoring pace of play (and issuing penalties as required)
- Adjudicating on any Rule of Golf or these Conditions, where delegated to do so.

The Match Committee should ensure that they have a copy of these Conditions with them.

Any decision on Rules required during play of preliminary rounds, will be given by the Match Committee of the Host Club, and any decision so given will be final.

Results

It is the responsibility of the Host Club to:

- Fax (fax: 9567 7720) or email (greg@jnjg.com.au) the result sheet to JNJG immediately after the completion of all Contests.

Practice rounds

The availability of Practice Rounds for visiting Clubs prior to a Contest and the setting of any associated green fees are at the discretion of the Host Club.

APPENDIX 1 – EXTRACT FROM GUIDELINES FOR RUNNING A COMPETITION

FROM PAGES 60 AND 61 – CHAPTER 7 DUTIES OF A RULES OFFICIAL - 4. COMMITTEE MEMBERS

When Committee Members are watching play either by chance or through having been assigned to a particular place on the course, their duties are different from those of a referee. In match play, the players in a particular match are there to protect their own interests and there is no reason for a Committee member to take any notice of a breach of the Rules that he may observe, unless he is satisfied that the opponent is not in a position to observe the breach. If the opponent was not in a position to observe the breach, the Committee member should bring the player’s breach to the attention of the opponent. It is then a matter for the opponent to decide if he wishes to make a claim (see Decision 2-5/1). Otherwise, the Committee member’s presence on the course is solely to assist players in the event of a claim – see Rule 2-5. His handling of the situation will depend on whether the Committee has granted individual members unlimited authority to represent the Committee and make final decisions. This is an issue that the Committee should clarify in advance. However, deferring a decision should be resorted to only in exceptional circumstances since it is a principle of match play that each side is entitled to know the state of the match at all times.

APPENDIX 2 – GUIDELINES FOR PLAYING INDIVIDUAL MATCHES IN FOURS

From the tee:

At the first tee the No. 6 and No. 5 Match will complete the first group of four.

The No. 6 match is to play first, followed by the No. 5 Match. This order may change at subsequent tees, with the first match to have putt out being expected to move to the next tee if the tee is clear and play is possible. This order should be maintained if it does not detrimentally affect pace of play.

On the green:

The player whose ball is furthest from the hole shall putt first and his match shall putt out before the other match (unless this is not possible because a player will be standing on another’s line of putt) As noted above, once one match has putt out it should move to the next tee and prepare to play (if possible).

APPENDIX 3 – MATCH INDEX

The following match index must be used.

If the starting hole is other than hole No. 1, the match index must be changed to ensure that the shots given are in the same order as the index below.

Strokes given	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18
Hole taken	8	12	4	16	10	6	14	2	18	7	11	3	15	5	13	9	17	1

Hole	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18
Match Index	18	8	12	3	14	6	10	1	16	5	11	2	15	7	13	4	17	9

APPENDIX 4 – TEE POSITION CHANGES (SCRATCH POSITIONS ONLY)

When a boy plays against a girl in team position 1 and 2, and the **par of the hole is different**, the tee positions will be adjusted as per the table below. The hole will then be deemed to have the same par for both boys and girls. Basically, the length of the hole will be changed so that the ratio of the length is 5:4 (boys:girls). If the par of the hole is the same, no change is necessary.

NOTE:- It is the responsibility of the host club to put out the additional tee markers and should be a different colour to the Men and Women's markers so there is no confusion.

MENS PAR 4 Existing Length	WOMENS PAR 5 TO PAR 4 New length	MENS PAR 3 Existing Length	WOMENS PAR 4 TO PAR 3 New length	MENS PAR 5 TO PAR 4 New length	WOMENS PAR 4 Existing Length

400	320	200	160	425	340
390	312	190	152	412	330
380	304				
370	296				

APPENDIX 5 - PACE OF PLAY – INDIVIDUAL MATCHES IN FOURS

Each match must maintain its position on the course with respect to the match preceding it and maintain the time requirement specified on the Pace of Play Time Chart issued to players at the course. If a time chart is not issued, the following time schedule for the completion of each hole applies:

Par 3 Holes 13 minutes
 Par 4 Holes 15 minutes
 Par 5 Holes 17 minutes

In exceptional circumstances (such as extreme weather/playing conditions), the Match Committee has the authority to extend this time requirement.

The first match to start will be considered out of position if, at any time during the round, the group is behind the cumulative time prescribed by the above time schedule. Any following match will be considered out of position if it (a) is taking more than the allotted time to play and (b) reaches the tee of a par-3 hole and the preceding group has

cleared the next tee; reaches the tee of a par-4 hole and the putting green is clear; or reaches the tee of a par-5 hole when the preceding group is on the putting green. Both (a) and (b) must apply for a group to be out of position.

Pace of Play Penalties – Match Play

An out of position match may be monitored and timed. Anytime a match is being monitored and timed they will be notified of such timing by a Match Committee representative or a Rules Official.

The following are the penalties, in sequence, for any player in a match being timed who takes more than the allotted time (see below) to play a stroke after timing of the player's stroke begins:

- 1st breach – warning
- 2nd breach – loss of hole
- 3rd breach – 2nd warning
- 4th breach – disqualification

Timing

When a match is being monitored and timed each player is expected to play any stroke within **40 seconds** after timing of the player's stroke begins.

Other than on the putting green, the timing of a player's stroke will begin when he has had a reasonable opportunity to reach his ball, it is his turn to play and he can play without interference or distraction. Time spent determining yardage will count as part of the time taken for the next stroke.

On the putting green, timing will begin after a player has been allowed a reasonable amount of time to lift, clean and replace his ball, repair his ball mark and other ball marks on his line of putt and remove loose impediments from his line of putt. Time spent looking at the line from beyond the hole and/or behind the ball will count as part of the time taken for the next stroke.

Repeated infringements of the pace of play guidelines in the 2013 season will be referred to the JNJG Match Committee for further consideration and may see a player subject to further action including suspension from further representation of his Club for the season.

NOTE 1: The Committee reserves the right, at any time, to monitor or time a group/match when the Committee deems it necessary. Players should also be aware that the Committee may assess a “bad time” to a player in a match that is out of position if the player makes no effort to help his match get back in position. An example of this would be a player who unduly delays play between shots.

NOTE 2: If the match in question regains its proper position, any previous breach of these guidelines will be carried over for the remainder of that stipulated round in the event that the match requires additional monitoring.
