

2019 Metropolitan Encourage Shield

Conditions of Competition

Introduction

The Encourage Shield is an annual handicap match play competition for teams of young members of Golf Clubs in the Sydney Metropolitan Region.

The objective of the Encourage Shield is to provide young golfers with the opportunity to test their skills and learn match play competition in an environment that is fun, supportive and free of undue interference.

More information (draw and results) may be found at the Jack Newton Junior Golf website under the Tournaments Section

In 2009 Jack Newton Junior Golf (JNJG) began assisting with the administration of the event in conjunction with the Convening Club. The following year, 2010, the delegates at the AGM appointed JNJG as the Convener of the event.

The Encourage Shield is governed by the participating clubs. Each year, generally on the first Monday in July, JNJG representatives chair the Encourage Shield Annual General Meeting of delegates from participating clubs. Each participating club is entitled to have one voting delegate. A delegate may be authorized in writing to represent multiple clubs.

Any changes to the Encourage Shield Conditions of Competition must have majority support by the delegates present at the Annual General Meeting.

The Competition commences on the first Sunday after the Labour Day weekend and is contested over consecutive Sundays.

In the event of a breach between two holes, the penalty applies to the next hole. A player who uses a DMD which indicates temperature, slope, wind speed or wind direction is in breach of rule 14.3 regardless of whether any such functions are actually used. Penalty - Disqualification

13. HANDICAPS AND ORDER OF PLAY

- a. Daily Handicaps are to be calculated using the slope rating of the course being played on the day of the *Contest*.
- b. All girl's who are playing on the day will have their handicaps adjusted using the formula:
Girls Match handicap = Women's Australian handicap + (Womens SCR – Mens SCR). For instance if the girl's handicap is 20, and the host club's course Womens SCR is 74 and Mens SCR is 70, the calculation is: $20 + (74 - 70) = 24$
There will be no adjustment to tee positions.
- c. The team order of play is determined after the girls adjustment has been made. When a girl plays against a girl, the adjustment is still made to determine correct order of play.

14. TEES AND STARTING HOLE

- a. The host club will determine the starting hole for each contest. The Match Index for that starting hole must be used. (See Condition 19.)
- b. Boys should play from the Men's competition of the day tees, or from the shortest slope rated mens course, at the discretion of the host club.
- c. Girls should play from Women's competition of the day tees, or from the shortest slope rated womens course, at the discretion of the host club.
- d. If a hole has two greens – men's and women's – (eg. The Lakes 14th and Campbelltowns 18th), and a boy is playing against a girl, the hole will be played to the green closest to the tee. If a boy is playing against a boy the men's green will be in play.

15. DIVISIONS

- a. The *Teams* entered are allocated to Divisions of four, five or six *Teams*. Generally, the allocation of Teams to Divisions will be based on a similar geographical location but not the same as the previous year's draw.
- b. Where a Division consists of five *Teams*, the *Team* whose club is the *Host Club* will have a bye. That is, a *Team* must not play at their home club.
- c. In each Division, the *Team* with the most *Contests* won is the Division Winner. If *Teams* are tied on *Contests*, then the *Team* with the most *Matches* won is the Division Winner. If the *Teams* are still tied, the winner of the contest between those two clubs during the divisional rounds will be the winner. If that result was halved, the number 6 *Match* is deleted and so on until a winner is determined.

- d. Division Winners are seeded using the formula:
 - i. $(\text{Number of } \textit{Contests} \text{ won} / \text{Number of } \textit{Contests} \text{ played}) * (\text{Number of } \textit{Matches} \text{ won} / \text{Number of } \textit{Matches} \text{ played})$
 - ii. If *Teams* are tied then the seeding is decided by lot by the *Committee*.
- e. Depending upon the number of divisions, there will be a process applied to ensure that 4 teams will contest the semi-finals. (eg. In 2011 there were 7 divisions. The no. 1 seeded team progressed directly to the semi-finals and the remaining 6 played off for the semi-final positions.) This process will be determined by the Committee.

16. FINALS

- a. The winner of each division advances to the Finals.
- b. Quarter finals, Semi finals and Final *contests* should be played on courses where the Mens SCR is greater than the par.
- c. Quarter finals, Semi-Final and Final *Contests* must not be played at a *Team's* home club.
- d. Clubs whose *Teams* are in the Final Series should offer their course to host other Finals *contests*

17. PROTESTS

- a. Protests on matters deemed in breach of these Conditions, must be received in writing by the *Committee*, *Match Committee* and opponents within two days of the Contest(s) being held.

18. BY-LAWS, CLUB RULES AND DRESS REGULATIONS

- a. The by-laws, club rules and dress regulations of the *Host Club* apply.
- b. The Team Manager is responsible for ensuring that Players, officials, parents and supporters are aware of, and comply with, the *Host Club's* by-laws, club rules and dress regulations.
- c. The Match Committee should not permit any player, attired in a manner that breaches the *Host Club's* dress regulations, to commence play. Any player not meeting the *Host Club's* dress regulations will be considered absent. Condition 7 applies.
