- 2.7. The winner is presented with the Junior Pennant Flag.

Girls Daily handicap = Calculated daily handicap + (Women's Scr rating – Men's Scr Rating).

Girls' maximum daily handicap on any day is 32. Girls whose match handicap (see condition 13d) is greater than 32 may still play but they play off a handicap of 32.

It is the responsibility of the Host Club to see that at least one or preferably two members of their Committee (constituting the Match Committee for the day unless otherwise stated) are available during play, to ensure that the Conditions are adhered to, and to adjudicate on any queries that may be raised. A participant (player or Team Manager) cannot be a member of this Match Committee.

- 32.16. Any entertainment during the playing of matches is to be kept to a minimum, and such entertainment is to be agreed upon by negotiation of the Clubs in each Section prior to the day of play. It is strongly suggested the Club Captain or General Manager contact the other Clubs (Teams) in their Division and agree on the level of entertainment prior to each season.

- 33.5. For Semi-Finals and Quarter Finals Contests, the cost of food and beverage on the day is to be borne by JNLG and Golf NSW.
- 33.6. For the Final, Golf NSW and JNLG will arrange drinks and savouries for the Presentation.
- 33.7. During Finals Contests there should NOT be a break in play at half way.

APPENDIX 1 - REFEREES

When referees are watching play through having been assigned to a particular place on the course, their duties are different from those of a referee assigned to accompany a match. In match play, the players in a particular match are there to protect their own interests. A referee who is not assigned to accompany a match has no authority to intervene in a match other than in relation to Rule 1-3 (Agreement to Waive Rules), 6-7 (Undue Delay; Slow Play) or 33-7 (Disqualification Penalty; Committee Discretion). The referee's presence on the course is solely to assist players in the event of a claim – see Rule 2-5. His handling of the situation will depend on whether the Committee has granted individual members unlimited authority to represent the Committee and make final decisions. This is an issue that the Committee should clarify in advance. However, deferring a decision should be resorted to only in exceptional circumstances since it is a principle of match play that each side is entitled to know the state of the match at all times.

APPENDIX 2 - PACE OF PLAY GUIDELINES

Each match must maintain its position on the course with respect to the match preceding it and maintain the time requirement specified on the Pace of Play Time Chart issued to players at the course. If a time chart is not issued, the following time schedule for the completion of each hole applies:

Par 3 Holes	11 minutes
Par 4 Holes	13 minutes
Par 5 Holes	15 minutes

In exceptional circumstances (such as extreme weather/playing conditions), the Match and Rules Committee has the authority to extend this time requirement.

The first match to start will be considered out of position if, at any time during the round, the group is behind the cumulative time prescribed by the above time schedule. Any following match will be considered out of position if it (a) is taking more than the allotted time to play and (b) reaches the tee of a par-3 hole and the preceding group has cleared the next tee; reaches the tee of a par-4 hole and the putting green is clear; or reaches the tee of a par-5 hole when the preceding group is on the putting green. Both (a) and (b) must apply for a group to be out of position.

Pace of Play Penalties – Match Play

An out of position match may be monitored and timed. Anytime a match is being monitored and timed they will be notified of such timing by a Match and Rules Committee representative or a Rules Official.

The following are the penalties, in sequence, for any player in a match being timed who takes more than the allotted time (see below) to play a stroke after timing of the player's stroke begins:

1st offence – loss of hole

2nd offence – loss of hole

subsequent offence – disqualification

Timing

When a match is being monitored and timed each player is expected to play any stroke within **40 seconds** after timing of the player's stroke begins.

Other than on the putting green, the timing of a player's stroke will begin when he has had a reasonable opportunity to reach his ball, it is his turn to play and he can play without interference or distraction. Time spent determining yardage will count as part of the time taken for the next stroke.

On the putting green, timing will begin after a player has been allowed a reasonable amount of time to lift, clean and replace his ball, repair his ball mark and other ball marks on his line of putt and remove loose impediments from his line of putt. Time spent looking at the line from beyond the hole and/or behind the ball

will count as part of the time taken for the next stroke.

Repeated infringements of the pace of play guidelines in the Pennant season will be referred to the Golf NSW Match and Rules Committee for further consideration and may see a player subject to further action including suspension from further representation of his Club for the season.

Note 1: The Committee reserves the right, at any time, to monitor or time a group/match when the Committee deems it necessary. Players should also be aware that the Committee may assess a “bad time” to a player in a match that is out of position if the player makes no effort to help his match get back in position. An example of this would be a player who unduly delays play between shots.

Note 2: If the match in question regains its proper position, any previous breach of these guidelines will be carried over for the remainder of that stipulated round in the event that the match requires additional monitoring.

APPENDIX 3 – ADVERSE COURSE CONDITIONS

As per Condition 27 it is imperative matches be completed and a result obtained on the day. The following are guidelines in deciding if the course is playable.

- Provided a minimum of 9 holes are available for play, in accordance with the Rules of Golf, then play should proceed. The matches are still to be played over 18 holes, however a hole or holes can be played more than once.
- It is acceptable that a composite course be used.
- Preferred lies can be in place, even through the green.
- Bunkers can be out of play, refer to R&A Decision on the Rules of Golf 33- 8/7

APPENDIX 4 – STANDARD MATCH PLAY INDEX TO BE USED FOR ALL MATCHES ON ALL COURSES.

Note: Hole 1 is the starting hole for the match, regardless of the actual hole being played (for example, the first hole being played may be the 10th in which case Hole 2 on the Match Pay Index is the 11th hole)

Hole	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18
Match Index	18	8	12	3	14	6	10	1	16	5	11	2	15	7	13	4	17	9
