

## ***JACK NEWTON JUNIOR GOLF SUPPORTS GOLF AUSTRALIA'S MYGOLF PROGRAM***

Dear Junior Golf Co-ordinator,

Golf Australia recently launched a national initiative aimed at attracting and retaining more children playing the game of golf. The new initiative called MyGolf is targeted at boys and girls aged 8-16 years and aims to develop their golfing skills in 6 different skill areas.

RIP IT - Hitting the long shots  
CHIP IT - Knocking it close from off the putting green  
FLY IT - High shots, soft landings  
BLAST IT - Escaping from the bunker  
ROLL IT - Holing those putts  
BEND IT - Magic tricks for getting around corners

The MyGolf program encompasses the Skills Challenge and Rewards Scheme which assists in motivating children to continually develop their skills. Children can progress from Bronze through to Gold in each of the skill areas receiving certificates as they meet the competencies required at each level.
