Driving Golf in New South Wales  
Since 1986

# What is Jack Newton Junior Golf?

Jack Newton Junior Golf was established in 1986 to introduce more young people to the game of golf and to nurture their skills and enjoyment of the sport.

The objectives of JNJG are to establish and service a variety of golf programs for boys and girls that create pathways through the sport and cater for the beginner through to the elite.

JNJG activities include a variety of junior golf tournaments, camps and clinics for all levels of players with an emphasis on school programs to introduce young children to golf. JNJG also assists clubs and regional areas in the development of their junior programs.

# Invitation from Jack Newton:

More than any other sport, learning to play golf requires a great deal of self discipline and determination. Learning the right technique is just the start.

Since Jack Newton Junior Golf began in 1986, thousands of kids have graduated from our programs with many going on to represent NSW and Australia as both amateurs and professional players. More importantly most have continued playing the great game at club level. Even more gratifying to me and my wife Jackie is the never ending flow of parents who unanimously express their delight over the personal and social skills their kids have attained through playing golf.

Honesty, respect, discipline, integrity and a strong work ethic are basic requirements of this great game. I have no hesitation in urging all parents to encourage their kids to play the game of golf. It can be a rewarding experience that I am sure will lead to providing young children with more confidence in approaching life's challenges during their formative years.

# JNJG Membership Form:

All juniors are eligible for free standard JNJG Membership. This membership enables young golfers to keep up with junior golf news throughout the state and provides players of all standards an opportunity to develop their golf. (Please note standard JNJG membership differs from JNJG Tour Membership, refer to the back for more on Tour Membership).

Please complete this form and return it to JNJG. If you are already a JNJG member, please fill out your details so we can update them on our database.
