Hole-In-One on the 2nd Hole !!!!!!!!!!!

Hole in One at Juniors on the Move

Round 2 of Juniors on the Move (Sydney) took place on a wet Kareela golf course on Sunday 5th February. A big thank you must go to the green staff, Pro Shaun and JDO Norm for the work they put in to allow us onto the course. Considering we did not get the go ahead to play until late Saturday afternoon, it was great to see so many players on course.

The round got underway spectacularly, with June Song hitting a Hole in One on the 2nd hole ! Her good round continued, with June shooting 42 and the best score of the day.

The girls scoring was very impressive, with Sam Kotsakis winning the gold medal on a countback from Monica Johnson who collects Silver. Both girls beat their handicap by 8 shots. Selena Bosevski also had a great round in her first JOM for the year, shooting a 48.

The A Graders found the short and narrow course tough, with only 2 players beating their handicap. Jake Cvetkovski, narrowly won the gold medal on a countback from Brandon Vella, who was playing his first JOM event picking up the Silver. Marco Nocera and Max Hammond also had good scores, finishing just off the pace.

Our B Graders, almost found the course easy, with some sensational scoring. Mitch Keogh improved 27 shots from Woodville to win the Gold Medal, whilst Jordan Reyes picked up Silver, with his round including a 30 foot birdie putt on the 8th. Jordan and Henry Scott were the only two B Graders who shot scores in the 40's, which is great golf !

Longest Drive went to Christine Shin, and Henry and Grace Adams picked up the N.T.P on the 8th.

Round 3 will be at Lane Cove in March. We will have our presentation BEFORE the round begins, for the winners at Woodville and Kareela. I will also have our JOM Hats and Shirts by this date ☺

Happy Golfing !!! Dale
